RE: CENTRIPIPE PL-8000

Dear Mr. Walker:

The Department has completed a review of your application for the above referenced product. This product's acceptance and use are covered in Specification S431 and S948 of the Florida Department of Transportation's **Standard Specification for Road and Bridge Construction** manual. This type product's use would be determined by meeting project specific requirements and so, expressly called for in the project plans.

In light of this revised interpretation of the specification your product is being removed from the Innovative Product Evaluation List (IPEL) as of today.

Thank you for your interest in doing business with the Department. If you have questions about your application, please contact me at (850) 414- 4776 or by email at barry.smith@dot.state.fl.us

Sincerely,

Barry E. Smith
Product Evaluator
