Subject: Notification of Product Status  
**NP11-5892** PL 8,000 & **NP11-5893** PL 12,000  
By: AP/M PERMAFORM

Dear Mr. Walker:

The North Carolina Department of Transportation evaluated the forenamed products and assigned a status of "**Approved**" to products **NP11-5892** PL 8,000 and **NP11-5893** PL 12,000.

An "**Approved**" status does not infer the product will be used in NCDOT projects or that the products will be actively promoted by the Department. It will be your responsibility to market your product. If the product is changed for any reason, or is not performing effectively, the product status will be changed accordingly.

Additionally, you must recertify your product on an annual basis by the 31st of January. If a recertification is not received by January 31st, the product will be removed from the Department's Approved Product List (APL). Recertification Notices with detailed requirements will be sent out in December of each year. If at any time, contact information has changed, you must inform this office.

If you have questions or comments, I may be reached at 919-508-1860 or via e-mail at: [lmwing@ncdot.gov](mailto:lmwing@ncdot.gov). You may also contact the State Value Management Engineer, Jeff Garland, PE, PMP, at 919-508-1872 or via e-mail at: [jgarland@ncdot.gov](mailto:jgarland@ncdot.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Leigh M. Wing".

Leigh M. Wing, PE  
Product Evaluation Program Engineer
